

Distance: 3 miles:

6 miles: round trip.

From: Small staging area inside Bothe Napa Valley State Park, south of Ritchey Creek

To: The historic Traverso Homestead site

This trail parallels Ritchey Creek (which flows year-round even in our driest years), is largely shaded by a tall oak/conifer forest and varies in width from 2' to 5' as it crosses the creek 2-3 times, sometimes using an old ranch road climbing from the Napa Valley floor's 360' elevation to 1760' in the Mayacamas Mountains.
