Hikers and equestrians descend into Frank Valley on the Miwok Trail and mountain bikers descend the Dias Ridge Trail; all users then make a steady climb to the Pantoll Ranger Station.

Cyclists will cross the northwest corner of Muir Woods on the Dias Ridge Trail, which is also accessible as a 3.1 mile one-way spur for hikers and equestrians. Cyclists must ride on 2.1 miles of undedicated roadway to connect to the Deer Park Fire Road.
