## Tilden to Redwood Regional via Skyline Trail, Sibley and Huckleberry

**From:** Inspiration Point in Orinda

**To:** Skyline Gate in Oakland

**Length:** 9.5 miles one-way for hikers and equestrians, 4.3 noncontiguous miles one-way for mountain bikers Three shorter sections possible; car shuttle possible.

Climb to dramatic views on San Pablo Ridge, descend to wooded streamsides, and traverse open grasslands. This trip along the spine of the East Bay Hills crosses varied landscapes on trails that range from wide and rocky service roads to duff-covered narrow paths. You gain and lose considerable elevation in short stretches: a 920-foot gain in Tilden Regional Park and a 600-foot loss in Robert Sibley Volcanic Regional Preserve. This long segment can also be completed in shorter sections.
