

Driving Directions- 2024 EB Hills Trails Benefit Hike & Ride

To Es Anderson Equestrian Camp in Tilden Park:

Note: Camp will open at 2 pm the day before the hike. Should you arrive earlier than that, you may park in the large parking area directly across from the entrance to Es Anderson. We should have someone at the gate when you arrive, but if you get there and the gate is locked, EBRPD will give us combination a few days before the event and we will send it out to all participants.

From Berkeley: Take Claremont Ave to Grizzly Peak Blvd. and turn left on Grizzly Peak, and then right on South Park Drive to Wildcat Canyon Road. Or take Centennial Drive and then go straight on Golf Course Road and then left on Wildcat Canyon Road. Or take Marin (steepest) or Spruce, turn right on Grizzly Peak and then left on Shasta Road and then right on Wildcat Canyon Road. OPr take Euclid and when you get to Grizzly Peak, go straight on Wildcat Canyon Road. Then follow Hwy 24 directions to camp.

From Highway 24: Note that Wildcat Canyon Road is closed between Camino Pablo and Inspiration Point so you must approach Es Anderson Equestrian Camp via Highway 24 Fish Ranch Road exit.

From Hwy 24: (Note: From the West (Berkeley or Oakland) this alternative is better for cars-it is more direct, but somewhat curvier for trailers.) From Highway 24 take the Fish Ranch Road exit. If coming through the tunnel, stay in extreme right lane in the right hand tunnel or you will miss this exit just east of the tunnel. From the tunnel, bear right from the exit and turn right over the freeway and proceed up the hill. From Highway 24 West, take the Fish Ranch Road exit and turn right at the stop sign. Either way take Fish Ranch up the hill and turn right at Grizzly Peak Blvd. Continue on Grizzly Peak, past the Lomas Cantadas entrance (Steam Trains); turn right onto the second right turn off Grizzly Peak, South Park Drive. Go down the hill and bear right at the stop sign onto Wildcat Canyon Road. The horse camp is a little over half a mile down Wildcat Canyon Road, on the right, opposite a clear parking area on the opposite side of the road. Use this parking area to approach the driveway (a sharp right) to the horse camp, or enter the camp very carefully with a trailer..

To Sequoia Arena in Joaquin Miller Park:

Note—the directions below apply during the ride, when somebody will be there to open the gate. Otherwise a trailer may have a big problem turning around when the gate is locked. Also, if you are just coming for the day, parking is available just across Skyline Blvd behind the Metropolitan Horsemen's Association Clubhouse at the Redwood Bowl Staging Area.

From Es Anderson Horse Camp: Return to Highway 24 West, reversing the directions to Es Anderson Equestrian Camp above. Once on 24 West, stay in the right hand lane. Proceed through the Caldecott Tunnel and afterwards take the exit for Highway 13 South towards Hayward. Go a few exits to the Joaquin Miller Road exit. Turn left at the stop sign , and left again onto Lincoln Ave. (uphill). Cross over the freeway and proceed uphill on Joaquin Miller Road 1.2 miles. At the first light. turn left on to Skyline Blvd., toward the Chabot Space and Science Center. Proceed 1.3 miles to the sign for Sequoia Arena on your left and turn into the driveway. If you have reached the Metropolitan Horsemen's Association clubhouse or the Chabot Space and Science Center on your right on Skyline, you have gone just past the Sequoia turnoff, so turn around and go back. Once in the Sequoia Arena driveway immediately bear right. Go.1 mile to the yellow gate (just past the rest rooms on your right), where you will be guided to your parking space

From 580 North (from Hayward): Take the Highway 13 exit and then get off at Joaquin Miller Road/Lincoln Ave. Turn right at the stop sign and proceed uphill on Joaquin Miller Road 1.2 miles. Turn left at light on to Skyline Blvd., toward the Chabot Space and Science Center. Proceed 1.3 miles to the sign for Sequoia Arena on your left and turn into the driveway. If you have reached the Metropolitan Horsemen's Association clubhouse or the Chabot Space and Science Center on your right on Skyline, you have gone just past the Sequoia turnoff, so turn around and go back. Once in the Sequoia Arena driveway immediately bear right. Go.1 mile to the yellow gate (just past the rest rooms on your left), where you will be guided to your parking space. (If gate is closed, park at the rest rooms or at the gate and walk past the gate, continue straight on the paved road, bearing right when it forks, and it then curves around to the arena)

From Highway 13 in Oakland: Exit at Joaquin Miller Road/Lincoln Ave. and proceed East uphill on Joaquin Miller Road 1.2 miles. At the first light, turn left on to Skyline Blvd., toward the Chabot Space and Science Center. Proceed 1.3 miles to the sign for Sequoia Arena on your left and turn into the driveway. If you have reached the Metropolitan Horsemen's Association clubhouse or the Chabot Space and Science Center on your right on Skyline, you have gone just past the Sequoia turnoff, so turn around and go back. Once in the Sequoia Arena driveway immediately bear right. Go.1 mile to the yellow gate (just past the rest rooms on your left),

where you will be guided to your parking space. (If gate is closed, park at the rest rooms or at the gate and walk past the gate, continue straight on the paved road, bearing right when it forks, and it then curves around to the arena)

To Bort Meadow Staging Area in Anthony Chabot Park:

Note: We should have someone at the gate when you arrive, but ask for lock combo before you go. **Caution—be very careful when you make the final left turn towards the Bort Meadow entrance—the road is narrow there.**

From Sequoia Arena: Turn right on to Skyline Blvd at the Sequoia Arena entrance and proceed 1.2 miles to the light at the intersection with Joaquin Miller Road. Turn left there, remaining on Skyline, and go to the next light. There turn left onto Redwood Road. Continue straight on Redwood for about 4.5 miles, to the entrance to the Bort Meadow Staging Area on the right side of the road.

From Highway 24 in Alameda County, exit to Highway 13 South just West of the Caldecott Tunnel. Drive about 4 miles south and exit at Redwood Road-35th Avenue. Turn left onto Redwood and drive East uphill about 1 mile to the junction with Skyline Boulevard. Stay in the left lane, and continue straight on Redwood for about 4.5 miles, to the entrance to the Bort Meadow Staging Area on the right side of the road. Look for the gate to the left of the staging area on the road.

From Castro Valley: Note that Redwood Road is not open between Castro Valley and Bort Meadow, so you must come from Oakland.
